PARENT CONNECT

Come once a month and connect with others who are also parenting a child with a developmental disability or challenging behaviour. This group is ***not diagnosis-specific***; parents with children of any disability or challenge are welcome. We will discuss a variety of topics, share resources and ideas, have guest speakers, and support and encourage each other. There will be snacks too!

REGISTRATION NOT REQUIRED

KID CONNECT

While parents connect, kids can connect too! We will be running a small Kids Connect group, adjacent to our Parent Connect group, for kids with challenging behaviours or disabilities. This is a non-structured time with one of our Family Coordinators and various activities will be available for kids to do.

No siblings please. 5 years old and up.

**REGISTRATION REQUIRED. SPACE IS LIMITED
ONE PARENT/CAREGIVER MUST BE IN PARENT CONNECT**
